### SPECIAL RULES AND REGULATION

1. The Junior Show is open to Florida Juniors only and will follow Florida Junior Brahman association Show Rules.
2. All non-registered Brahman females may compete in the Commercial Heifer Show.
3. Please be aware that there is limited space available in the barn. Entries will be taken according to the order in which they are received.
4. Exhibitors must take possession of any animals being shown by **November 30, 2020**.
5. Brahman Cattle entries will be listed numerically according to age in catalogs and judging schedules. Include animal identification number (number brand) as part of identification. When entering the arena for judging, the handlers will line cattle up numerically in the same order.
6. Commercial heifer and steer entries will be shown according to the animal's weight and will be divided into classes as evenly as possible based upon the final weigh-in numbers.
7. Judges will be allowed to comment on placings in selected classes when conditions permit it.
8. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change –save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances for cosmetic purposes are prohibited. If to the satisfaction of show staff, any animal has had its natural conformation and structure altered; then said animal shall be ruled ineligible to compete until the executive committee and owner/owners have reviewed the case.
9. Normal fitting of cattle will be permitted. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.
10. For further information, please contact Kelvin Moreno at office@[morenoranches.com](mailto:morenoranches.com), phone (863) 444-8745; Beth Maheu at [maheucattleco@embarqmail.com](mailto:maheucattleco@embarqmail.com), phone (863) 697-0432; Ashley McCrimmon at [amcrimmon1920@gmail.com](mailto:amcrimmon1920@gmail.com), phone 863-581-2020; or Amy Wilder at [alwilder0515@gmail.com](mailto:alwilder0515@gmail.com), phone (352) 240-4802.

Division Champion.....	\$75.00
Reserve Division Champion.....	\$50.00
Grand Champion.....	\$200.00
Reserve Grand Champion.....	\$100.00

## BRAHMAN SHOW RULES

11. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in this show. The registration certificates (or photocopy) for each entry must be available for presentation to the manager of the show at the time entries are verified prior to judging. Entries that have not complied will not be eligible to show, receive premium monies or earn points in the association's Register of Renown.

12. For females being shown in the three oldest classes **\*\*CURRENT YEAR LESS 3 YEARS\*\*** (females calved Sept 1, 2017 – August 31, 2018 for Fall Shows), exhibitor must have a certificate of pregnancy issued by a licensed veterinarian to be presented and shown to officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. Females exhibited in the last class at the Spring Shows **MUST** have a calf at side. For the Fall Shows the last class of females is required to have a calf at side also. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf **MUST** be presented to the judge.

13. **\*ALL bulls must be shown with a nose ring or nose restraint with lead attached.\*** For bulls being shown in the oldest class, the exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. The certificate must be available for inspection by the judge on request.

14. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward for those cows whose calves are ineligible to show by this rule.

15. (The intent of the ABBA in shows that exhibit a large number of cattle is to divide the cattle into separate red and gray divisions. {Revised 10/13/05} If so, the following procedure will apply; All gray cattle and solid black cattle will show gray. Red, black & white speckled or red & white speckled cattle will show red. Cattle with questionable colored pigmentation may be entered in the color division the breeder selects, however, said cattle are subject to inspection by a three (3) member of the ABBA committee. If the Color Committee disagrees with the breeder, the pedigree and color of said animal will then be used to aid in the final determination. In those cases where questionable colored cattle possess both red and grey breeding, then the committee will make a final determination. The decision of the committee is final. Once animals have been classified they will remain in that classification unless they were young at time of classification and it is apparent that they have changed their color. In the get-of-sire and produce-of-dam classes, breeders will not be allowed to show cattle of mixed color. They will be entered as to the color division they are assigned by the Color Committee for the show. (Effective July 1, 2006) At split shows where the color committee is not present, a staff member with two (2) ABBA directors will clarify questionable colored cattle for that particular show. The final classification will be done by the Color Committee. (Revised 08/99).

16. The owner of record of any registered animal entered in an ABBA approved show and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.

17. For shows to remain approved, point shows by ABBA must maintain a forty (40) head average.

18. The official ABBA rules & procedures governing showing & exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.

19. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management be split by age as evenly as possible.

20. F1 Females will follow ABBA rules and classes.

<b>Class Number and Name</b>
